

# U shape induction Coils

United Induction Heating Machine Limited

We are experienced in Induction Heating, induction heating machine, Induction Heating equipment. They are widely used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering induction melting and induction surface treatment applications  
<http://www.uihm.com>

UIHM can provide various shape of induction coils with our induction heating machine for your work

U shape induction Coils

Base Induction Coil Design and Theory
